In re NAVIENT CORPORATION
SECURITIES LITIGATION

Master File No. 17-8373 (RBK/AMD)

**DECLARATION OF JONATHAN
K. GITLEN IN SUPPORT OF
PLAINTIFF'S OPPOSITION TO
DEFENDANTS' MOTION FOR
JUDICIAL NOTICE**

Motion Day: August 5, 2019

I, Jonathan K. Gitlen, state under penalty of perjury under the laws of the United States that the following statements are true and correct, pursuant to 28 U.S.C. §1746:

1. I am an Associate at Levi & Korsinsky, LLP, 1101 30th Street, N.W., Suite 115, Washington, DC 20007, attorneys for Plaintiff, Jesse Wayne Pritchard. I am admitted to the Bars of the State of California and the District of Columbia. I

am submitting this declaration in support of Plaintiff's Opposition to Defendants' Request for Judicial Notice in Support of Defendants' Motion to Dismiss Plaintiff's Second Amended Complaint.

2. On May 17, 2019, I caused a Google search to be run with the search string: "Warren presses Navient on internal Education Department review", which resulted in two pages of results. None of the results returned the Exhibit 7 document, besides the source identified in the Jones Declaration, i.e., <https://news.navient.com/static-files/5afabbd9-0a8a-4e4f-83e6-74a736c8b80d>.

3. On May 17, 2019, I also visited the Politico Pro website, *available at* www.politicopro.com. I caused a search of Politico Pro's website through its internal search bar for the search string: "Warren presses Navient on internal Education Department review". None of the results returned the Exhibit 7 document. In fact, the search did not even reveal anything with a publishing date of the same date as the Exhibit 7 document, i.e., November 20, 2018.

Executed on the 14th day of June, 2019.
